DAY 2 – Fort Calgary and Heritage Park
After breakfast, embark on a panoramic sightseeing tour of Calgary. See the city’s many communities along with Stampede Park and Canada Olympic Park. At Fort Calgary learn about the city’s colorful history. Then, take a step back into Canada’s historic past at Heritage Park. Here you will learn about life as a 19th-century fur-trader or old-fashioned blacksmith. In the Gasoline Alley Museum, admire the collection of 1908 REO Autobuggies and 1912 Buicks, or stroll through Heritage Town Square and chat with the locals in their traditional clothing. Meals: B, D

DAY 3 – Dinosaurs of the Royal Tyrell Museum
In the town of Drumheller see the “World’s Largest Dinosaur” en route to the Royal Tyrell Museum. Home to more than 130,000 fossils the Royal Tyrell is situated inside Midland Provincial Park which is part of the Dinosaur Trail stretching from the Alberta Badlands to Dinosaur Provincial Park. Take a leisurely walk in the park and see the fascinating exhibits and displays in this palaeontology research center. Later, continue to Edmonton. Meal: B

Begin the day at North America’s largest shopping center, the West Edmonton Mall. With over 800 stores, nine world-class attractions, two hotels and over 100 dining venues, the West Edmonton Mall has something for everyone. Later, travel to Jasper National Park, the largest park in the Canadian Rockies and a UNESCO World Heritage Site. In spite of its highways and railroad, Jasper National Park looks very much like it did when David Thompson, Canada’s great fur-trade-era explorer, first saw it. Settle in for a 2-night stay. Meals: B, D

DAY 5 – Maligne Lake Cruise
Today enjoy the breathtaking scenery of Jasper National Park as you cruise Maligne Lake with its unparalleled vistas. Learn of the local history, geology, wildlife and glaciology of Maligne Lake and Jasper National Park as some of the most spectacular scenery in the Rockies drifts past your window. Watch moose lazily wander the shoreline and look for other wildlife that are native to the area. In the afternoon, return to Jasper in plenty of time for exploring. Meal: B

Today, trade in your motorcoach for a “snocoach” and venture on to North America’s largest glacier, the Columbia Icefield’s Athabasca Glacier. You will travel in a specially designed vehicle to the middle of the glacier, as your driver points out interesting geological features. At the icefall below the glacier headwall, you will step out onto ice formed from snow which fell as long as 400 years ago. Then, take a walk on the incredible Glacier Skywalk, a glass-floored observation platform perched 918 feet above spectacular glacier-formed valleys and rushing waterfalls. Later, arrive in the mountain town of Banff. Meals: B, L
