

## A “Touch of Class” by SignaTours Gatlinburg’s Winterfest of Lights! December 2 - 5, 2021

*Winterfest in the Smokies is a spectacular event, but to locals and visitors alike, it means one thing . . . **LIGHTS!!!** More than 9 million lights go on in early November to turn Sevier County into a magical winter fairyland. The lights are on every evening during the wintertime and now every display is environmentally friendly LED. The city of Pigeon Forge celebrates Winterfest with 5 million lights! Snowflakes and pine boughs deck every streetlight in Pigeon Forge, and in historic Patriot Park, we will see majestic light displays. Downtown you will find everything from the 12 days of Christmas to your favorite nursery rhyme. The City of Gatlinburg magically lights up the winter nights with millions of spectacular lights and lighted displays. Displays featuring animals indigenous to Great Smoky Mountains National Park including deer, foxes, squirrels, and rabbits are part of the program, with the length of the Parkway accentuated by branches and scrolls. Most recently, fanciful snowmen, dancing fountains, a group of international children and a shiny rocking horse joined the lineup.*
