

Bermuda Island Getaway! Aboard Royal Caribbean's . . . "Vision of the Seas" May 20 – 25, 2023

If you are looking for that perfect first-time cruise, or just a short vacation to get away from it all, **Bermuda** is the ideal destination and **Royal Caribbean's "Vision of the Seas"** is the perfect ship! What makes this cruise even more appealing is that it departs out of Baltimore, Maryland, and we'll transport you right to the pier! Once onboard the **Vision of the Seas**, one of **Royal Caribbean's** Vision Class ships, you will be wowed by its stunning glass exterior. More than 2 acres of glass were incorporated in its construction and nowhere is this more breathtaking than in the ship's Centrum, which spans five decks. While cruising, try your luck in the casino, enjoy a message in the spa, or just lounge poolside and relax!

An Atlantic island paradise, **Bermuda** is a picturesque island, with world-class golf courses, historical sights, beautiful towns with friendly people, not to mention the gorgeous pink sand beaches lapped by aqua-blue waters. Your special **5-Night** sailing features a **One-Night stay at the Royal Naval Dockyard / Kings Wharf**. There is plenty of time to take several shore excursions like a guided, riding tour of the island that includes time in the capitol of Hamilton. Or perhaps take a glass bottom boat or sunset catamaran cruise! This beautiful small **Island** is a terrific destination full of many wonderful optional excursions. Come join us in Bermuda . . . no flying required!
