7 Night Western Mediterranean Cruise Royal Caribbean's . . . "Enchantment of the Seas" June 25 – July 3, 2023

Don't miss out on this summer cruise in the Mediterranean! This is the perfect, worry-free way to explore the great cities of Italy and a great chance to spend time in Barcelona at the end of the cruise. You'll be aboard one of Royal Caribbean's mid-size ships, the *Enchantment of the Seas*. Holding approximately 2300 passengers, she features over 8000 square meters of glass and a soaring seven-deck atrium. While onboard don't forget to test your luck in the casino, take in a spa treatment, lounge by the pool and enjoy all the exciting entertainment.

What a fantastic line up of ports for this cruise! There will be plenty of time to explore *Venice* since we will stay docked the first night and don't leave until 5pm the next day. From early Christian mosaics to majestic churches and impressive palaces, this charming seaside port is a haven for lovers of art and architecture. No visit is complete without a gondola ride beneath the Rialto Bridge. We will cruise south around the "boot" of Italy and visit the *Island of Sicily*. You will be docked in Messina, located on the northeastern corner of the island. Explore the patchwork of churches and antique palaces. Next is *Rome* where a trip to the iconic Coliseum is a must. Rome holds the edge when it comes to unrivaled history and adventures. *Florence* is one of Italy's oldest port cities. Discover Nuova Venezia ("New Venice") and take a mini-sailboat ride through its charming canals. Situated on the French Riviera, *Toulon, France*, is more about small-town charm and natural beauty than glitz and glamor. As you pull into the city's huge natural harbor, you'll see towering Mont Faron. After you dock, take the 6-minute cable car ride to the summit, where you'll be greeted to sweeping views of the Mediterranean and the city below. The cruise ends in *Barcelona* where you have the choice of staying longer here. As the capital of the country's Catalonia region, it is easy to see why Barcelona is the most-visited city in Spain.
