## 9 Night New England & Canadian Cruise Royal Caribbean's . . . "Vision of the Seas" September 14 - 23, 2023

Don't miss out on this perfect fall cruise to discover the unmistakable charm of *New England* and *Eastern Canada*. The fall colors should be out in all their glory at this time of year. The history and natural beauty give this region an alluring appeal. The optional shore excursion include such tours as *Scenic Boston Tour*, *Lighthouses of Maine* in Portland, *Bay of Fundy Coastal Photography Tour* in Saint John, NB, or *Peggy's Cove and the Titanic Tour* in Halifax, Nova Scotia – just to name a few of the exceptional tours this cruise has to offer.

What makes this cruise even more appealing is that it departs out of Baltimore, Maryland, and we'll transport you right to the pier! Once onboard the *Vision of the Seas*, one of *Royal Caribbean's* Vision Class ships, you will be wowed by its stunning glass exterior. More than 2 acres of glass were incorporated in its construction and nowhere is this more breathtaking than in the ship's Centrum, which spans five decks. A glass-topped dome provides lots of bright sunshine. While cruising, try your luck in the casino, enjoy a message in the spa, or just lounge poolside and relax! So, don't miss out on this perfect combination of a fantastic cruise experience (no flying required!) with an abundance of shore excursions to see the beautiful landscape of the Northeast!
