**Virginia’s Eastern Shore Adventure!**  
**September 20 - 21, 2023**

**Wednesday – September 20<sup>th</sup>:** *Boxed Breakfast / Lunch / Dinner*

Morning departures begin your exciting *Eastern Shore Adventure*. Enjoy a **Boxed Breakfast** aboard the motorcoach as you travel to **Chincoteague Island**, Virginia’s only resort island! Stops will be made en route this morning and throughout the tour for the necessary rest and comfort breaks. Virginia’s *Barrier Islands* have been designated an “*International Biosphere Reserve*” by the United Nations as one of the last great, unspoiled areas of North America. These islands are home to hundreds of thousands of waterfowl, which include several endangered species. The most popular of these islands, *Chincoteague*, is famous for its Ponies and is your gateway to the *Assateague Island National Seashore* and the *Chincoteague Wildlife Refuge*. First on the agenda today is to journey over the *Chesapeake Bay Bridge Tunnel*, an engineering marvel at 17.6 miles long! Stop in the secluded town of *Wachapreague* for a **Delicious Lunch** overlooking the water at the *Island House*. Crab Cake Sandwich will be on the menu of course! Arrive in *Chincoteague* this afternoon for a fun and educational **Sightseeing Pontoon Boat Tour**. Experience *Assateague Island* in a way that is simply not possible from land. The changes of getting up close to the world-famous “Chincoteague Ponies” is very likely. It’s also quite common to see dolphins, bald eagles, and a large variety of wildlife. A late afternoon check-in finds you in the heart of *Chincoteague* at the **Fairfield Inn & Suites**. Dinner is included this evening at the adjacent **Ropewalk Restaurant**.

**Thursday – September 21<sup>st</sup>:** *Breakfast/Lunch*

An eye-opening **Breakfast** at the hotel is followed by check-out and departure for a **Guided-Riding Tour of Chincoteague** that includes . . . the *Historic Downtown* and *Memorial Park*, home of the *World-Famous Pony Swim!* Travel through the *Chincoteague National Wildlife Refuge*, the *Assateague Island National Seashore*, the historic *Assateague Lighthouse* and the multi-million-dollar **Bateman Center**, a state-of-the-art, environmentally friendly educational center. You will be in good hands with our guide, Cindy. She is the Executive Director of the **Museum of Chincoteague Island** (a stop is included here), she owns her own tour company, *Chincoteague Step Through Time Tours*, and travels with Road Scholar, leading tours for them in Virginia and Florida.

Enjoy a buffet lunch at **Don’s Seafood Restaurant**, followed by a visit to the **NASA Wallops Flight Facility**, a rocket launch site supporting science and exploration missions for NASA. There have been over 16,000 launches from their 8 different launching areas since its founding in 1945. A *NASA Guide* will board the coach for a **Riding Tour** to see one of the *Launch Pad* areas, followed by time in their **Visitor Center** which includes a 15-minute film and many exhibits.
