12-Night Southern Caribbean Cruise Royal Caribbean's . . . "Vision of the Seas" February 24 – March 7, 2024

Beat those winter blues with this fantastic *Southern Caribbean* get-away! The best part . . . no flying required! This great itinerary includes the perfect selections of islands and lots of time to enjoy the amenities of this great ship. Travel deeper into the Caribbean on the road less traveled to discover exotic landscapes brimming with natural, unspoiled beauty and unique plant and animal species native to the region. Here you'll venture further into the Caribbean to more remote islands, teeming with lush rainforests, waterfalls, rare birds and wildlife. Imagine aquamarine seas ablaze with brightly colored coral reefs and schools of technicolor fish, breathtaking national parks, botanical gardens and world-renowned beaches. A Southern Caribbean cruise offers a rich and unique port variety balanced by peaceful, relaxing days at sea.

The "*Vision of the Seas*" is one of Royal Caribbean's medium size ships that are characterized by lots of large glass windows in the public areas - offering great views of the ocean from interior spaces. You won't feel lost in these more intimate ships that hold approximately 2,000 guests. With plenty of "at sea" days you are sure to "hit the jackpot" in the casino or enjoy multiple massages in the spa! There is always something planned to entertain you - or finally find time to relax and "do nothing"! Don't miss out on this perfect winter cruise!
